

NEBOSH International certificate and diploma

- ✓ Internationally recognised and linked to NZISM, IOSH professional standards and CPD
- ✓ Fast becoming the qualification of choice for employers seeking to engage health and safety specialists
- ✓ Recognised for its practical application to health and safety issues in the workplace
- ✓ Delivered by New Zealand's most experienced and professional trainers

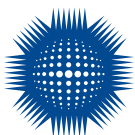

Our NEBOSH courses are designed to equip people to drive their organisation's OSH performance to the next level in a competitive global environment.
